My Dear Boy

It has been a [long?] time since I heard from you & I don't know whether I owe you a letter or not I did hear from Joana through [Saragt?] Cole [Sanitt?] some 9 months ago & she was quite poorly at that time have you heard from her lately She must be over 90 years old. Do you know how she is fixed financially She ought to be well off as her husband was well fixed when they were married & as I understand it she got the bulk of our fathers property She certainly got a [illegible] [Samall?] share. who owns the old farm now and does it amount any thing in land worth any thing in that country now

Had a letter from Win last week He was running the rural delivery rout then but did not know how long he would keep it as there was several good Democrats after it His wife has had a bad time of it for several months with inflammatory rheumatism but isnt our school master President making a mess of everything(.) He has undertaken if he keeps on we will be in a fine fit over the Mexican situation it will be terrible if he puts our army into Mexico for the next 4 months there will be 20 soldiers die of disease where one will be lost in Battle

Write one soon & tell me what you know of your Aunt Joan's affairs & who is managing for her. My health was none better have been doing very little for the past 2 years have done a little real estate business on commission have on hand now several large ranches for sale but this glorious Democratic Administration has seemed to put a quietness on all kinds of business Write soon & tell me all the news

Your Loving Father

Capt A Clark
